Best Decorated Cake of all.

Prize Money \$20.00 Class 1 Rich Fruit Cake. -Cake.2nd prize \$15.00 Don by Cappy Real Estate.

Recipe for Rich Fruit Cake.

250 gm Sultanas. ¼ teaspoon grated nutmeg.

250 gm chopped raisins ½ teaspoon ground ginger.

250 gm currants ½ teaspoon ground cloves.

125 gm chopped mixed peel 250 gm butter.

90 gm chopped glace cherries 250 gm soft brown sugar.

90 gm chopped blanched almonds ½ teaspoon lemon essence.

Or finely grated lemon rind.

1/3 cup sherry or brandy. ½ teaspoon almond essence.

250 gm plain flour. ½ teaspoon vanilla essence.

60 gm self raising flour. 4 large eggs.

Fruit may be cut, but not minced. Depending on size, snip raisins into 2 or 3 pieces, cherries into 4 or 6 pieces and almonds slit cross wise into 3-4 pieces.

Heres what to do:

Mix together all fruit and nuts and sprinkle with sherry or brandy.

Cover and leave for at least one hour, but preferably over night.

Sift together the flour and spices. Cream together the butter and sugar with the essences. Add eggs one at a time, beating well after each addition then; alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should

be stiff enough to support a wooden spoon. Place the mixture into a prepared 18- 20cm (7-8 inches) tin and bake in a slow oven for Approx 3 ½ - 4 hours. Allow cake to cool in tin.

Class 2.. Special 154th Anniversary Cake. Special Trophy & \$30.00 1st Prize. Made in the true Colonial Style.

In 1855 baking powder was invented, so no longer was it important to beat eggs for a long time.

Class..2 Recipe:

1855 Recipe from Ryan House.

Ingredients:

1-1/2 cups butter(3/4 warmed)

2-1/2 cups white sugar

1-1/2 cups sour milk. (You can use evaporated milk soured with one teaspoon of white vinegar)

1 teaspoon baking powder.

4 eggs.

2 cups ground coconut.

½ teaspoon salt.

1 teaspoon vanilla.

2 pounds white raisins. (Note 1 pound is = to 454 grams.)

1 pound mixed peel.

1 cup chopped dried apricots.

1 cup diced orange peel.

1 teaspoon orange extract.

5 cups white flour(divided)

Mix butter, sugar, sour milk, eggs, 3 cups flour, coconut and vanilla as any cake.

Mix the remaining 2 cups flour with mixed fruit: in large bowl, combine fruits, then combine flour, salt, and baking soda and sift over fruit mixture. Toss until fruits are well coated. Mix floured fruit with other batter.. Use heavy non-stick tube pan or bundt pan 10 x 4 inches deep, well greased and floured. Turn into prepared pan and bake for 3 hours. In a 300 degree oven. Test for doneness by inserting toothpick in centre of cake. Makes 2 cakes. Cakes bake best if you place a small pan of water in the bottom of the oven. This keeps the cake from drying out. Cake batter can also be divided into loaf pans, small or large: adjust baking time.

Before baking you can decorate the top of the cake with blanched almonds. Cool cake in pan on rack, then remove. When cake is cold wrap in cloth soaked in brandy or bourbon, then in foil. Store in tightly covered container, the longer the better. Keep brandy cloth moist. Good luck.

Anna the Duchess of Bedford(1788-1861), one of Queen Victoria's ladies in waiting, is credited as the creator of teatime. Because the noon meal had become skimpier at about 4 o'clock in the afternoon the Duchess suffered a sinking feeling. At first her servants would sneak her a pot of tea and a few breadstuffs.

Adopting the European tea service format, she invited friends to join her at 5 o'clock at Belvoir Castle. Menu being small cakes, buttered sandwiches, assorted sweets and of course tea.

The social event to come to tea was quickly picked up by social hostesses.

By 1855 Queen Victoria adopted the craze for tea parties and her favourite was the simple Cake then named after her.

RECIPE:

4 eggs, their weight in pounded sugar, butter, and flour. ¼ spoonful salt. A layer of kind jam or marmalade.

Mode- Beat butter to a cream: dredge in flour and pounded sugar, stir these ingredients well and add the eggs, which should be previously thoroughly whisked. When the mixture has been thoroughly beaten for about 10 minutes, butter a Yorkshire Pudding tin, pour in the batter, and bake in a moderate oven for about 20 minutes. Let it cool- spread ½ of the cake with a layer of nice preserve, place over the other half of the cake, press the pieces slightly together and then cut into long finger- pieces.; Pile them into cross bars on a plate.
